RE: Request for WWIS information on WIPP shipments

As discussed in our phone conversation, please fax me the following:

- 1) WWIS report on shipment LA00001, received at WIPP on March 26, 1999.
- 2) WWIS report of certification of six additional standard waste boxes, which are presumably the next shipment, as of today or whenever you next print out that information.

Thank you very much for your cooperation.

*sent 1) + 2) (LA00002) 4/5 ~ 3:15 PM*
