RE: Request for WWIS information on WIPP shipments

Please fax me the following:

- 1) WWIS report on the third shipment of wastes from LANL to WIPP.
- 2) WWIS report of certification of additional standard waste boxes at LANL, which are presumably for future shipments to WIPP.
- 3) WWIS information on at least one more container at INEEL (I have information on Container Number IDFRD1209654).

Please provide me the information that you have on those matters, or whenever the next time that you print out such information.

Thank you very much for your cooperation.

Don - 4/20/99
per your request.
This is data I had
on hand when I
found your fax this
afternoon.

Steve
