RE: Request for WWIS information on WIPP shipments

Please fax me the following:

- 1) WWIS report on the sixth shipment of wastes from LANL to WIPP.
- 2) WWIS report on the seventh shipment of wastes from LANL to WIPP.
- 3) WWIS report of certification of additional standard waste boxes at LANL, which are presumably for future shipments to WIPP.
- 4) WWIS summary information on containers at Rocky Flats "in the system" as pending certification or approved certification.

Please provide me the information that you have on those matters, or whenever the next time that you print out such information.

Thank you very much for your cooperation.
