RE: Request for WWIS information on WIPP shipments

Please fax me the following (which I requested on June 17, but have not received):

- 1) WWIS report on the eleventh shipment of wastes from LANL to WIPP.
- 2) WWIS report on the first shipment from Rocky Flats.
- 3) The latest "repository report" that provides summary information regarding the number of containers from each site at WIPP and the number of containers emplaced at WIPP and awaiting emplacement.

Thank you very much for your cooperation.
