**ACTION ITEMS**  
**67th WIPP QUARTERLY REVIEW**  
**July 28, 1999**

<b><i>Actions Items</i></b>	<b><i>Responsible Party</i></b>
The Environmental Evaluation Group (EEG) will provide to the U.S. Department of Energy-Carlsbad Area Office (DOE-CAO) two proposals relating to prospective WIPP technical exchanges/workshops discussed at this Quarterly Review. The proposals will outline agenda items, presenters, and dates for the technical exchanges/workshops. Deadline: August 6.	EEG
DOE-CAO will provide to EEG, the NM Environment Department, and the NM Radioactive Waste Task Force a schedule and related information on confirmed technical exchanges/workshops negotiated with EEG through year-end 1999. Such schedule and information shall be provided as soon as available.	DOE-CAO
Provide EEG with e-mail version of the WIPP "Daily Operations and Event Report" (DOER).	DOE-CAO
DOE-CAO will pursue avenues for EEG to provide technical assistance and recommendations to DOE generator/storage sites on a periodic basis.	DOE-CAO
Review and, as appropriate, provide comments and recommendations on the document entitled "Chronology of the WIPP Project." Comments to be provided to Chris Wentz. Deadline: September 30	ALL PARTIES
EEG will host next (68 <sup>th</sup> ) WIPP Quarterly Review Meeting at its offices in Albuquerque on October 26.	EEG
