RE: Request for WWIS information on WIPP shipments

Glad you had a good vacation. Nice to see you back, as you were missed!

I want to catch up on information about shipments while you were gone.

Please fax me the following:

- 1) WWIS report on the shipment(s) of wastes from LANL to WIPP. I believe there was a shipment (LANL 13th) about August 11 and a LANL shipment that I understand took place last night.
- 2) WWIS information on future shipment(s) from LANL to WIPP, if a next shipment has been identified.
- 3) WWIS report on the last shipments from Rocky Flats. I believe there was a shipment about July 29 (the fifth), and shipments each week in August. Also I'd be interested in future shipments from Rocky Flats that are in the system.
- 4) WWIS information on this week's shipment from INEEL to WIPP. And any information about next shipments from INEEL.

Thanks also for allowing me to review yesterday the August 20, 1999 CAO letter responding to the NMED letter of July 1 related to RF005.1.

Thank you very much for your cooperation.

Please use fax number at the top of p. 1.
