COMMENTS

Don -

Attached are copies of all WWIS reports currently available which satisfy your 11/16 request for information on shipments to WIPP from RFETS. There is one shipment (RF990024) which is certified, but if John Shea's memo is correct, will not be shipped anytime before the permit becomes effective. For RF990021, the shipment date was 11/04/1999 and the receipt date was 11/05/1999.
