BUREAU

Dear Mr. Pache:

This letter is to confirm our telephone conversation of October 8, 1985, concerning the sampling as defined in "A Sampling and Closure Proposal for the API Wastewater Ponds Landfill and Landfill Pond at the Bloomfield Refinery". As we discussed, initial sampling will be done on Tuesday and Wednesday, October 15 and 16, 1985. We would welcome an observer from your office, but as you indicated would be okay, we will proceed in any event.

Please call me at (505) 632-8013 or (303) 858-9811 if there are any questions.

Very truly yours,
