SUBJECT

Bloomfield Landfill

SUMMARY OF COMMUNICATION

Kaiser informed me that Bloomfield submitted additional information in support of their landfill Delisting Petition a couple of weeks ago. Kaiser said that the info. looks complete.

Decision likely to be to grant delisting. This decision to be published in FR, but no specific time for EPA decision known. This would make landfill sludge non-hazardous waste.

CONCLUSIONS, ACTION TAKEN OR REQUIRED

An approved delisting will moot our processing of the landfill closure plan. Essentially HRMB would not need to take any action on the landfill.
