Dear Ms. Freeman:

**RE: Letter of Credit No. L113736**

Gary Williams Energy Corporation (GWEC) has requested that the New Mexico Environment Department (NMED) return the above referenced letter of credit because GWEC has sold the Bloomfield Refinery in Farmington, New Mexico to Giant Industries, Inc. NMED is unable to provide the original letter of credit because it has either misplaced or destroyed said original. NMED affirms that it will not make a draw under this Letter of Credit. In the event that NMED finds the original Letter of Credit, NMED will forward it to Nations Bank of Texas.

If you have any questions or need any additional information, please contact me at (505) 827-1558 or at our address on the letterhead.

Sincerely,

A handwritten signature in cursive script that reads "Coby Muckelroy".
