Re: Letter of Violation NMD 089416416

Dear Mr. Garcia:

Pursuant to your Letter of Violation concerning this facility, Giant Refining Company - Bloomfield is submitting this letter to address the two violations from the last HRMB inspection.

The first violation was that a date had not been filled in on manifest #00966. The date has been filled in and a copy of the manifest is included with this letter.

The second violation was that I had not attended an 8 hour Hazwoper refresher course. I was enrolled in an 8 hour Hazwoper course that was to be held concurrently with the Four Corners Oil & Gas Conference that was held last week. Unfortunately the class was canceled due to a lack of participants. I will arrange to attend a refresher course before June 15 and will forward a copy of the certification to you upon completion.

If you need additional information, please contact me at (505) 632 8013.

Sincerely:

A handwritten signature in cursive script that reads 'Lynn Shelton'.
