Hi Wayne and Hope,
Randy and I tried to call you yesterday Wayne, but missed you. Giant has received the bids back from the wall contractors and is now ready to award it. Did you have a chance to review the proposal? Let us know because we are on a tight timeline to get the project started.

Thanks Ed

Ed and Randy

I have had a chance to review the proposal. Sorry for not getting back to you sooner. NMED is conceptually in agreement with the Corrective Action Plan. I will be sending an approval letter with conditions in which NMED is requesting supplemental information. The information I am requesting should not affect the wall contractor. I will be requesting clarification and additional information on the fluids collection concept and fluids removal. The fluids collection design did not appear to be finalized in the plan.

Please let me know if you have any questions.

Hope
