Randy and Ed

I received a letter stating Bloomfield will be collecting semi-annual groundwater samples starting the week of April 4, 2005. What wells will be sampled during this event?

Thanks

Hope

Dear Hope,

We will be following the directives listed in Attachment A Item #10 from the correspondence sent by NMED dated January 6, 2003. We will also follow Item #9 from the OCD directive dated December 30, 2002. Seep #5 has been replaced by MW #47 and P-#4 & P-#5 have been replaced by MW #48 & MW #49. All samples will be analyzed for BTEX and MTBE by EPA Method 8021B.

If you have any questions, please contact me at (505)-632-4161 or by e-mail.

Thanks,
Cindy Hurtado
