 information

All:

Attached is the information requested during the conference call this afternoon (10/5/05). The first two pages of the PDF are from Giant's January 30, 1996 Part B Permit Application. The following pages September 24, 1994 Part B Permit Application. The surface impoundment information submitted in the 1994 and 1996 application is the same but the 1994 version was of better print quality for copying. Please call me if you have questions. Thank you.
