RE: 2006 ANNUAL FEE
GIANT REFINING COMPANY-BLOOMFIELD NMD089416416

Dear Messrs. Schmaltz and Riege:

The New Mexico Environment Department (**NMED**) has compiled the 2006 Annual Fee for your facility pursuant to the Hazardous Waste Permit and Corrective Action Fee Regulations, 20.4.2 NMAC. In accordance with 20.4.2.201.A NMAC, the enclosed Tables were developed from the facility permit, Part A application, or enforceable document. The tables are formatted accordingly: 1) Table A – Hazardous Waste Management Activities; 2) Table B - Corrective Action; and 3) Table C - Summary of Units.

Under the provisions of 20.4.2.211.A NMAC, “the Annual Fee shall be waived for hazardous waste management units for which the owner or operator provides documentation to NMED that hazardous waste management activities did no occur at the unit during the previous calendar year. To be considered for the waiver the owner or operator shall submit the documentation to NMED on or before July 1 of each year.” Since the Hazardous Permit and Corrective Action Fee Regulations were promulgated, after July 1, 2006, the NMED will allow facilities to provide documentation to the above effect within 30 days of the date of this letter for this year only. The NMED will review and reissue new tables and an invoice, if appropriate.

Under the provisions of 20.4.2.301.C NMAC "Payment shall be due within sixty (60) days of receipt of the invoice unless the facility submits to NMED a written request seven (7) days prior to the end of the sixty (60) day period and receives written approval to extend the time for payment before the date payment is due." Under the provisions of 20.4.2.302.A NMAC, "any owner or operator seeking to appeal an invoice for fees under this part must first notify the NMED in writing of the intent to appeal the invoice within thirty (30) calendar days of receipt of the invoice. The notice shall set forth the specific matters in dispute, the basis for the dispute, and any matters considered necessary for NMED's consideration. The parties shall have thirty (30) calendar days from NMED's receipt of notification to meet or confer with NMED to attempt to resolve the matters in the dispute. The secretary may extend deadlines under this section upon a determination that good cause exists. If an agreement is reached resolving the dispute, NMED may issue a revised invoice and the owner and operator shall comply with the terms of such agreement and revised invoice. If an agreement is not reached, NMED shall issue a notification to all parties that an agreement has not been reached. Failure to notify NMED of an appeal in the required timeframe shall prohibit the owner and operator from appeal of the invoice."
