GRCB-04-002 - Coordination Strategy Concurrence

Dear Mr. Bearzi,

Thank you for your letter dated April 25, 2007, outlining the State's strategy for coordinating the pending State Compliance Order with the existing Federal Compliance Orders. I concur with your strategy. Region 6 appreciates your efforts to remove the North and South Aeration Lagoons from the Interim Status List.

Nick Stone of my staff has reviewed the draft State Compliance Order and recommends that the 1992 Federal Compliance Order be closed after your Order is issued.

If you have any questions, please contact me at (214) 665-2731 or Nick Stone at (214) 665-7226.

Sincerely,
