**ENTERED** 

Good Afternoon Ma'am,

As a follow-up to our previous phone conversation two weeks ago, we have finalized the schedule for the up-coming RCRA Investigation field activities.

On Monday, March 30<sup>th</sup>, 2009, Contractors will mobilize to the Bloomfield Refinery in preparation for drilling activities as part of the Closure Plan for the North and South Aeration Lagoons (Group 1). On-site drilling will begin the morning of Tuesday, March 31<sup>st</sup>. Well installation activities are anticipated to be completed within two weeks.

Following completion of well installation activities at the Aeration Lagoons, Contractors will re-locate to the Terminals Area of the Refinery to begin field activities as part of Group 3 Investigation Work Plan. Field activities for Group 3 are estimated to begin during the week of April 6<sup>th</sup>, 2009.

If you have any questions with regards to the up-coming RCRA Investigation field activities, please don't hesitate to contact us at your convenience.

Sincerely,

Kelly R. Robinson
