RE: Notification to Conduct Semi-Annual Groundwater Sampling – River Terrace
Western Refining Southwest, Inc. - Bloomfield Refinery
EPA ID# NMD089416416

Dear Mrs. Petrie,

Western Refining Southwest, Inc. – Bloomfield Refinery (Western) would like to conduct the Semi-Annual Sampling Event at the Bloomfield Refinery River Terrace Area during the week of May 30, 2011. Based on the information provided by the Bureau of Reclamation, San Juan River high flow conditions (equivalent to approximately 5,000 cubic feet per second flow rates) are expected to occur between May 27th and June 2, 2011.

Locations from which groundwater samples will be collected during this sampling event include MW-49, TP-1, TP-2, TP-5, TP-6, and TP-8. All semi-annual groundwater monitoring activities will be performed pursuant to the guidelines outlined in the NMED letter *Proposals to Modify Monitoring at the River Terrace Area* dated March 15, 2011

Prior to collecting groundwater samples, depth-to-groundwater measurements and field soil gas samples will be collected from MW-49, DW-1, TP-1, TP-2, TP-5, TP-6, TP-7, TP-8, and TP-9

If any representatives from NMED would like to participate during this sampling event, please contact me at your convenience so as to ensure samples are collected on the day of NMED's scheduled participation. If you have any questions, please feel free to contact me at (505) 632-4166

Sincerely,

Kelly Robinson
Environmental Supervisor
Western Refining Southwest Inc - Bloomfield Refinery
