RE: Notification to Conduct 2017 Annual Groundwater Monitoring
Western Refining Southwest, Inc. - Bloomfield Terminal
EPA ID# NMD089416416
GW - 001

Dear Mrs. Tsinnajinnie and Mr. Chavez,

Western Refining Southwest, Inc. – Bloomfield Terminal (Western) is scheduled to conduct the 2017 Annual Groundwater Sampling Event at the Bloomfield Facility starting the week of August 21st, 2017. Based on the number of sample locations included as part of the Annual Monitoring Event, we anticipate that sampling activities will be completed by September 6th, 2017, weather permitting.

Locations from which samples will be collected during this sampling event include the former Refinery Complex, North Boundary Barrier, San Juan River Bluff, and from the San Juan River. All annual groundwater monitoring activities will be performed pursuant to the guidelines outlined in the approved Facility-Wide Groundwater Monitoring Plan dated June 2014 approved on June 15, 2015.

If you have any questions or need additional information, please feel free to contact me at (505) 632-4166 at your convenience.

Sincerely,

Kelly Robinson
Environmental Supervisor - Logistics
Western Refining
