Dear Mr. Brunet:

The New Mexico Environment Department (NMED) has received the Western Refining Southwest, Inc., dba Marathon Petroleum Company (Western) Bloomfield Terminal (Former Bloomfield Refinery) *2021 Annual River Terrace NOD Response And 2022 Annual River Terrace Report Request for Extension (Request)*, dated February 28, 2023, on March 1, 2023. The Request states that the data migration between the previous consultant and Ensolum, the current consultant, has taken longer than expected.

NMED hereby grants Western's Request for a time extension to submit the response to the Disapproval of the 2021 Annual River Terrace Report (2021 Report). Western must submit the response to the disapproval for the 2021 Report no later than **March 31, 2023**. The 2022 Annual River Terrace Report must be submitted no later than **March 31, 2023**, as requested.
