RE: Semi-Annual Groundwater Sampling

Dear Mr. Muckelroy:

Giant Refining Company-Ciniza has tentatively scheduled the semi-annual groundwater sampling for October 18-19, 1994. This sampling is required by the Part B Permit, Attachment G, Section 2.B.(i) and (ii).

After sampling is complete, Giant is going to redevelop Monitor Wells MW-1, MW-2, MW-4 and MW-5; Observation Wells OW-1, OW-2, OW-3 and OW-11; and Shallow Monitor Wells SMW-3, SMW-4, SMW-5 and SMW-6. This redevelopment will remove sedimentation in order to enhance flow and minimize potential contamination in the wells.
