Re: Permit Modification Fee

Dear Ms. Ezeanyim:

Giant Refining Company received notification from the HRMB on December 7, 1995 that Giant's request for a conversion of its financial assurance from a Letter of Credit to a financial test and corporate guarantee had been approved. One of the requirements for this permit modification to proceed is the submittal of modification fee of \$1000.00. Enclosed with this letter is Giant's check for this amount.

Should you have any questions about the above, please feel free to contact me at (505) 722-0127.

Thank you for your assistance.

Sincerely,

David C. Pavlich
