Hi Hope,
Ciniza would like to request a 30 day extension to respond to your letter of August 14, 2006 requesting responses by September 11, 2006, for the Refinery Sewer Line Dye Trace Study. This will allow Ciniza to prepare the overlay map you mentioned in item g. Trihydro is scheduled to be onsite the week of September 18, 2006 to prepare such a map.
Thanks for you consideration.
