Subject: Spill Reported at Western Refinery- Gallup on 11/11

Hope and Dave,

Beck Larson of Western Refining in Gallup called in a spill report on 11/11 at 0519 hours. Approximately 25-50 Barrels of Light Cat Gasoline was released from Overflow Tank 107. The spill took place at 0300 on the same date. It has been contained and is being cleaned up. No word on waterways or wells affected. No word on SWMUs affected. Written report will follow. (Tuesday is 7-day deadline for that.) Contact number for Mr. Larson is 505.722.0258.

Cheers!
