Our administrative records show that NMED has not received a response from Gallup to NMEDs Notice of Disapproval (NOD) to the *Process Design Report for the Wastewater Treatment Plant Work Plan (Alternative Design)* dated October 27, 2009 (NMEDs October 27, 2009 NOD). If a response has been submitted, please contact me so I can check our administrative record for the correspondence.

NMED did receive Gallup's January 29, 2010 letter regarding the *Process Design Report for the Wastewater Treatment Plant Work Plan Alternative Design*) that addressed Comments 7, 20, and 21 of NMED October 27, 2009 NOD. During a phone call on February 17, 2010, NMED informed Ann Allen that NMED would not respond to Gallup's January 29, 2010 letter until a complete response to NMEDs October 27, 2009 NOD was received.

Thank you
