 Subject: Weekly Check of GWM wells

 ENTERED

Good morning: Below is the weekly gauge reading of GWM 1, 2, and 3 wells. There are a couple of revisions to the table. I placed the DTW Reading after samples drawn at the end of the table and listed water level before samples were drawn. If you have any questions, please call or e-mail. Thank you, cj

Weekly Water Level in GWM Wells					
WELL ID	DATE	DTW (FT)	DTB (FT)	WATER LEVEL (FT)	DTW After Sample Collecton
GWM-1	9/16/2010*	17.9	23.7	5.8	
	10/12/2010	18.18	23.7	5.52	
	10/20/2010	18.18	23.7	5.52	
GWM-2	9/16/2010*	17.3	18.97	1.67	18.87
	9/28/2010	18.63	18.97	0.34	
	10/4/2010*	18.55	18.97	0.42	18.92
	10/12/2010	18.8	18.97	0.17	
	10/20/2010	18.76	18.97	0.21	
				18.97	
GWM-3	9/16/2010*	16.92	17.94	1.02	17.79
	9/28/2010	17.22	17.94	0.72	
	10/4/2010*	17.35	17.94	0.59	17.9
	10/12/2010	17.52	17.94	0.42	
	10/20/2010	17.65	17.94	0.29	
* Indicate samples were collected
