Subject: Response to NMED Disapproval, dated June 20, 2016, HWB-WRG-15-004
Attachments: Wells 33.docx

Dear Mr. Kieling:

Western submits documentation as required per Comment 20 (b, c) of NMED's Disapproval Annual Ground Water Monitoring Report, Gallup Refinery 2014, HWB-WRG-15-004 dated June 20, 2016. Attached are photographs of wells MKTF 22, 23, 26, 34 and 33 with locks and concrete base finished on MKTF-33. If you require further information, please do not hesitate to call or e-mail.

Thank you,

cj
