Hey Kristen – I'll check this missing data out. I'm working on the three letter responses you sent earlier. I'll keep you posted.

Thanks,

Bill

Hi Bill-

I've started going through the wastewater treatment system effluent data that you gave me and it looks like the data set is missing the laboratory reports for August 19 through 25th, 2016. I'll let you know if I come across anything else that's missing.

Also, a reminder to submit the monthly waste water treatment system effluent data as soon as you can for the last several months.

Let me know if you need anything or have any questions.

Thank you,
Kristen
