Subject: Extension request for Report *WRC 17-002*

Hi Bill-

I received your voicemail yesterday asking for a week extension to submit the revised release report for the caustic overflow. The original extension request (dated July 28, 2017) included a submittal date of August 31st which was approved in a letter dated August 3, 2017. With this additional extension, the report will be submitted no later than September 7th.

If you have any questions, please contact me.

Thank you,
Kristen
