The New Mexico Environment Department (NMED) has received the Marathon Petroleum Company dba Western Refining Southwest Inc., Gallup Refinery (Permittee) *Due Date Extension Request Hydrocarbon Seep Interim Measures 2019 Second Quarter Status Report*, dated August 27, 2019.

NMED's May 20, 2019 Approval 1<sup>st</sup> Quarter Status Report and August 23, 2019 Approval 2<sup>nd</sup> Quarter Status Report required additional information regarding the reverse osmosis system reject line, boiler units, and reverse osmosis unit RO reject water by August 30, 2019. The Permittee states that "Marathon has experienced difficulty in obtaining information on the RO reject line due to the age of the line. Marathon will submit whatever information that can be obtained by the extension date."
