SUBJECT: Renewal Submittal for Permit No. NM2750211235 for the Hazardous Waste Storage Facility

Dear Mr. Bearzi:

In accordance with 20 NMAC 4.1 incorporating 40 CFR 270.10(h) and 270.30(b), and Section I.E.2. of Module I of the U.S. Army RCRA Operating Permit NM2750211235, two copies of the 1999 White Sands Missile Range Hazardous Waste Storage Facility RCRA Permit Application are herein submitted for your review and approval. An electronic copy of the application is also enclosed.

As provided in 20 NMAC 4.1 incorporating 40 CFR 270.10(h), in our letter of February 9, 1999, White Sands applied for a 90-day extension to the March 29, 1999, requirement to submit the operating permit renewal application. The extension was granted in your letter of February 22, 1999.

We submit this application to you in good faith, believing it to be both timely and complete. If you have any questions, please do not hesitate to call or contact Ms. Robin Smith of our staff at (505) 678-2224.

Sincerely,

Thomas A. Ladd
