**SUBJECT: HAZARDOUS WASTE STORAGE FACILITY CONTAINER
STORAGE AREA PERMIT RENEWAL
EPA ID NO. NM2750211235
HWB-WSMR-99-006**

Dear Mr. Ladd:

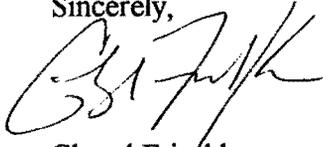

The New Mexico Environment Department (NMED) has received your letter dated February 8, 2002 requesting a ninety (90) day time extension to complete required revisions to the Hazardous Waste Storage Facility Container Storage Area Permit Renewal.

NMED hereby approves an extra sixty (60) days to complete the revisions specified in NMED's January 22, 2002 Request for Supplemental Information (RSI). White Sands Missile Range (WSMR) must submit a revised RCRA Permit Application for the Hazardous Waste Storage Facility Container Storage Area Permit Renewal no later than May 31, 2002. NMED reminds WSMR that the facility is required to take all necessary steps to ensure that range-related activities and contract-related issues do not further delay permit renewal activities.
