SUBJECT: Appendix I, Completed Hazardous Waste Description Records, to WSMR Hazardous Waste Storage Facility Permit Application for Permit NM2750211235.

Dear Ms. Martin:

Reference Environment and Safety Directorate letter, July 25, 2003, to Mr. John Kieling, subject: Submission of Revised Hazardous Waste Storage Facility Renewal Application for Permit NM2750211235.

White Sands Missile Range (WSMR) submitted additions and revisions to the Hazardous Waste Storage Facility Renewal Application for Permit NM2750211235 in July 2003 by reference letter. The enclosure provides Appendix I of subject application. WSMR believes that this completes all required information in support of the permit application. We remain actively committed to meeting our environmental compliance responsibilities and look forward to receiving a draft permit.

Copies of this letter are being provided to Mr. James Harris, EPA Region VI; Mr. Larry King, EPA Region VI; Mr. G. von Gonten, NMED HWB; Mr. Steve Pullen, NMED-HWB; Ms. Cheryl Frischkorn, NMED-HWB; Mr. James Pigg, SJA; and BAE Systems.

Mr. Gene Forsythe remains the overall action officer for this effort and he may be reached at (505) 678-1007 for further discussion on this subject. Mr. William Little of BAE Systems is the assigned technical manager for the project. He may be reached at (505) 678-0263.

Sincerely,

Thomas A. Ladd
Director, Environment and Safety Directorate
