Dear Mr. Kieling,

White Sands Missile Range (WSMR) respectfully requests a 30 day extension of time to submit the SWMU 197 HELSTF TSA Gasoline Spill Site Corrective Measures Evaluation. Per NMED's approval with modifications of the Interim Measures Report dated October 2, 2019, (HWB-WSMR-19-001), NMED requires a submittal of a Corrective Measures Evaluation report by December 31, 2019. WSMR needs a few more days to finalize evaluation of additional data for the corrective measures options. With NMED's time extension approval, the work plan will be submitted no later than January 30, 2020.

We appreciate your consideration of this request. Should you have any questions regarding this matter, please contact Mr. Benito Avalos of our Environmental Compliance Branch at (575) 678-2225.

I am forwarding a copy of this letter to Ms. Kristen Van Horn, NMED-HWB; Mr. Dave Cobrain, NMED-HWB; Mr. Walter Migdal, EA Engineering; and Mr. Robert Rowden, AEC.

Sincerely,

Brian D. Knight
Chief, Environmental Division
