HWB-WSMR-2021-AF**

Dear Mr. Knight:

The New Mexico Environment Department (NMED) has received White Sands Missile Range (the Permittee) extension request letter, dated January 8, 2021. The Permittee has requested a 60-day extension of time to pay the 2021 Annual Fee (Invoice# HWB-WSMR-2021-AF) in accordance with NMAC §20.4.2.301 (C).

Section I.M (Provisions Governing Extensions of Time) of the 2009 RCRA Permit states that "[t]he Permittee may seek an extension of time in which to perform a requirement of this Permit, for good cause..." The Permittee has demonstrated good cause for the extension request; therefore, NMED hereby issues this Approval. The Annual Fee must be submitted to NMED no later than **February 10, 2021**, as requested.

If payment is by check, then you must provide the invoice number on the check. If payment is transmitted electronically, then you must submit a letter to Mr. Dave Cobrain, NMED Hazardous Waste Bureau, indicating the invoice number, payment amount, and the assessed activity prior to transferring funds.
