Dear Mr. Kieling

In your letter addressed on 15 May 2012 you clarified the requirements for the installation of three groundwater monitoring well clusters previously identified in your letter addressed on 13 April 2012. The attached document is a revised work plan addendum incorporating your 15 May 2012 well installation requirements.

In addition, you directed that the well installations needed to be completed by 31 July 2012; we request an extension for completing the installation of the well clusters to 30 Sept 2012. Your consideration of this request is greatly appreciated.

Please contact Mr. L. Wayne Bitner at (505) 853-3484 or at ludie.bitner@kirtland.af.mil or Ms. Victoria R. Martinez at (505) 846-6362 or at victoria.martinez@kirtland.af.mil if you have any questions.

Sincerely

JOHN C. KUBINEC, Colonel, USAF
